

We are really excited to announce our first Farm to Table Dinner Event!

Find your seat at the table as we delight in an evening that will highlight the bountiful ingredients picked fresh from area farmers and prepared by Shawano Chef Abby (Zander) Malcolm and Chef Jay Crawford. Enjoy local beer, wine, soda, and toe tapping music as you discover the beauty of Heritage Park. Our honorary guest for the evening is Bill Ruechel.

A live auction featuring unique, one of a kind items include an original watercolor painting by local artist Kim Arntzen, a once in a lifetime catered dinner at the Kast House in Heritage Park, and a picnic at Schumacher Island.

Saturday, September 15th at Five O'clock PM
